

displayTabContentForItem

```
graph LR; A[displayTabContentForItem] --> B[showAddForm]; B --> C[__s];
```

A flowchart with three rectangular boxes connected by blue arrows. The first box on the left is gray and contains the text 'displayTabContentForItem'. A blue arrow points from this box to a second, white box in the middle containing 'showAddForm'. Another blue arrow points from the second box to a third, white box on the right containing '\_\_s'. All boxes have a thin black border.

showAddForm
