

checkSecurity

```
graph LR; A[checkSecurity] --> B[isSandboxed]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'checkSecurity' in black. The right box is white with a black border and contains the text 'isSandboxed' in black. The arrow points from the right side of the first box to the left side of the second box.

isSandboxed
