

getInstallationInstruction

```
graph LR; A[getInstallationInstruction] --> B[init]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The first box on the left is gray with a black border and contains the text 'getInstallationInstruction'. The second box on the right is white with a black border and contains the text 'init'. The blue arrow points from the right side of the first box to the left side of the second box.
