

appendOutputLine

```
graph LR; A[appendOutputLine] --> B[makeOutputBlock]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'appendOutputLine'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white and contains the text 'makeOutputBlock'. Both boxes have a thin black border.

makeOutputBlock
