

__clone

```
graph LR; A[__clone] --> B["League\Csv\UnavailableStream<br>\dueToForbiddenCloning"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text `__clone`. A blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text `League\Csv\UnavailableStream` on the top line and `\dueToForbiddenCloning` on the bottom line.

League\Csv\UnavailableStream
\dueToForbiddenCloning
