

getCurrentUserPrincipals

```
graph LR; A[getCurrentUserPrincipals] --> B[getPrincipalMembership]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'getCurrentUserPrincipals'. The right box is white with a black border and contains the text 'getPrincipalMembership'. A solid blue arrow points from the right side of the gray box to the left side of the white box, indicating a directional relationship or call between the two methods.

getPrincipalMembership
