The diagram illustrates a mapping or relationship. On the left, there are two rectangular boxes. The top box contains the text "NetworkPortMigration" followed by "\\rawSearchOptions" on a new line. The bottom box contains the text "DeviceNetworkCard\\rawSearch" followed by "OptionsToAdd" on a new line. On the right, there is a gray rectangular box containing the text "getTypeName". Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both source boxes point to the "getTypeName" target.
