

Consumable\getTabNameForItem

```
graph LR; A[Consumable\getTabNameForItem] --> B[canView]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'Consumable\getTabNameForItem'. The right box is gray with a black border and contains the text 'canView'. A blue arrow points from the right side of the first box to the left side of the second box.
