

isUserInGroup

```
graph LR; A[isUserInGroup] --> B[countElementsInTable]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'isUserInGroup'. The right box is white with a dark gray border and contains the text 'countElementsInTable'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a directional relationship or dependency between the two elements.

countElementsInTable
