

getAdditionalMenuOptions

```
graph LR; A[getAdditionalMenuOptions] --> B[CommonGLPI\getFormURL]
```

A diagram showing a horizontal flow from left to right. On the left, a gray rectangular box contains the text 'getAdditionalMenuOptions'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'CommonGLPI\getFormURL'. Both boxes have a thin black border.

CommonGLPI\getFormURL
