

get\_file\_object

```
graph LR; A[get_file_object] --> B[get_file_size]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'get\_file\_object'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a black border and contains the text 'get\_file\_size'.

get\_file\_size
