

addNotificationTargets

```
graph LR; A[addNotificationTargets] --> B[NotificationTarget<br/>\addTarget];
```

The diagram illustrates a function call. On the left, a gray rectangular box contains the text 'addNotificationTargets'. A blue arrow points from this box to a white rectangular box on the right. The white box contains the text 'NotificationTarget' on the top line and '\addTarget' on the bottom line. Both boxes have a thin black border.

NotificationTarget
