

addDataForTemplate

```
graph LR; A[addDataForTemplate] --> B[getEvents];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'addDataForTemplate'. The right box is gray with a black border and contains the text 'getEvents'. The blue arrow points from the right side of the first box to the left side of the second box.

getEvents
