The diagram illustrates a mapping or transformation process. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'Sabre\DAV\Browser\MapGet' followed by 'ToPropFind\httpGet' on a new line. The bottom box contains 'Sabre\DAV\CorePlugin' followed by '\httpHead' on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top of a gray rectangular box on the right. The arrow from the bottom box points to the bottom of the same gray box. This gray box contains the text 'setMethod'.
