

absolutize

```
graph LR; A[absolutize] --> B[remove_dot_segments]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'absolutize'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'remove_dot_segments'.

remove_dot_segments
