

CronTask\cronCheckUpdate

```
graph LR; A[CronTask\cronCheckUpdate] --> B[checkNewVersionAvailable]; B --> C[getURLContent];
```

A flowchart illustrating a sequence of three steps. The first step, 'CronTask\cronCheckUpdate', is in a white box. A blue arrow points to the second step, 'checkNewVersionAvailable', also in a white box. Another blue arrow points from the second step to the third step, 'getURLContent', which is in a gray box.

checkNewVersionAvailable
