

Change\getSpecificMassive  
Actions

Problem\getSpecificMassive  
Actions

canAdminActors

```
graph LR; A[Change\getSpecificMassive Actions] --> C[canAdminActors]; B[Problem\getSpecificMassive Actions] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, one above the other. The top box contains the text 'Change\getSpecificMassive Actions' and the bottom box contains 'Problem\getSpecificMassive Actions'. To the right of these is a single gray box with the text 'canAdminActors'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a relationship or flow from the left boxes to the right box.
