

prepareInputForAdd

```
graph LR; A[prepareInputForAdd] --> B[CommonGLPI\getType]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'prepareInputForAdd'. The right box is white with a black border and contains the text 'CommonGLPI\getType'. The arrow points from the right side of the first box to the left side of the second box.

CommonGLPI\getType
