

prepareForHardware

```
graph LR; A[prepareForHardware] --> B[getTypesFieldName]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'prepareForHardware'. The right box is white with a dark gray border and contains the text 'getTypesFieldName'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence.

getTypesFieldName
