

switchInstantiationType

```
graph LR; A[switchInstantiationType] --> B[getInstantiation]; B --> C[getItemForItemtype];
```

A horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'switchInstantiationType'. A blue arrow points from this box to a second, white box in the middle containing 'getInstantiation'. Another blue arrow points from the second box to a third, white box on the right containing 'getItemForItemtype'. All boxes have a thin black border.

getInstantiation

getItemForItemtype
