

isGuarded

```
graph LR; A[isGuarded] --> B[getGuarded]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'isGuarded'. The right box is white with a thin gray border and contains the text 'getGuarded'. The blue arrow points from the right side of the 'isGuarded' box to the left side of the 'getGuarded' box.
