

showTestResults

```
graph LR; A[showTestResults] --> B[displayActionByName]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The first box on the left is filled with a dark gray color and contains the text 'showTestResults'. The second box on the right is white with a dark gray border and contains the text 'displayActionByName'. A solid blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence from the first action to the second.

displayActionByName
