

benchSpec

```
graph LR; A[benchSpec] --> B[makeOptions]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'benchSpec'. The right box is white with a dark gray border and contains the text 'makeOptions'. The blue arrow points from the right side of the 'benchSpec' box to the left side of the 'makeOptions' box.

makeOptions
