

cronPurgeLogs

```
graph LR; A[cronPurgeLogs] --> B[getLogsCount]; B --> C[countElementsInTable];
```

A flowchart illustrating a sequence of three operations. The first operation, 'cronPurgeLogs', is contained within a gray rectangular box. A blue arrow points from this box to the second operation, 'getLogsCount', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'countElementsInTable', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.

getLogsCount
