

plugin

```
graph LR; plugin[plugin] --> getPluginManager[getPluginManager]; getPluginManager --> setPluginManager[setPluginManager];
```

A flowchart illustrating a sequence of three components. The first component, 'plugin', is represented by a gray rectangular box. A blue arrow points from 'plugin' to the second component, 'getPluginManager', which is a white rectangular box with a black border. Another blue arrow points from 'getPluginManager' to the third component, 'setPluginManager', also a white rectangular box with a black border. The components are arranged horizontally from left to right.

getPluginManager

setPluginManager
