

extractFiles

```
graph LR; A[extractFiles] --> B[getFileContent]; B --> C[prepareForFileExtracting];
```

A horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'extractFiles'. A blue arrow points from this box to the second box, which is white with a black border and contains 'getFileContent'. Another blue arrow points from the second box to the third box, which is also white with a black border and contains 'prepareForFileExtracting'.

getFileContent

prepareForFileExtracting
