

stopAll

```
graph LR; A[stopAll] --> B[stop]
```

A diagram illustrating a sequence of operations. It consists of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text "stopAll". A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a black border and contains the text "stop".
