

get_file_object

```
graph LR; A[get_file_object] --> B[is_valid_file_object]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'get_file_object'. The right box is gray with a black border and contains the text 'is_valid_file_object'. The arrow points from the right side of the first box to the left side of the second box.
