

process

```
graph LR; process[process] --> getBlacklists[getBlacklists]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'process'. The right box is white with a dark gray border and contains the text 'getBlacklists'. The blue arrow points from the right side of the 'process' box to the left side of the 'getBlacklists' box.

getBlacklists
