

reset

```
graph LR; A[reset] --> B["Psr\\SimpleCache\\CacheInterface<br>\\clear"]
```

The diagram consists of two rectangular boxes. The first box on the left is gray with a black border and contains the text 'reset'. A blue arrow points from the right side of this box to the left side of a second, larger white box with a black border. The second box contains the text 'Psr\\SimpleCache\\CacheInterface' on the top line and '\\clear' on the bottom line.

Psr\\SimpleCache\\CacheInterface  
\\clear
