

Entity\getSpecificValueTo
Select

Entity\showNotificationOptions

dropdown

```
graph LR; A[Entity\getSpecificValueTo Select] --> D[dropdown]; B[Entity\showNotificationOptions] --> D;
```

The diagram illustrates a data flow where two methods, 'Entity\getSpecificValueTo Select' and 'Entity\showNotificationOptions', both provide input to a 'dropdown' menu. The methods are represented by white boxes with black borders, and the dropdown is a gray box. Two blue arrows point from the right side of each method box to the left side of the dropdown box.
