

messageSessionTokenMissing

```
graph LR; A[messageSessionTokenMissing] --> B[returnError]; B --> C[returnResponse];
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box containing the text 'messageSessionTokenMissing'. A blue arrow points from this box to a white rectangular box containing the text 'returnError'. Another blue arrow points from the 'returnError' box to a final white rectangular box containing the text 'returnResponse'. All boxes have a thin black border.

returnError

returnResponse
